Elementary School Truancy

Santa Barbara County Grand Juries have a history of investigating school truancy and previous Grand Juries promoted intervention programs that are currently being used. These programs are showing continued success. While these programs cover all educational levels, the 2014-15 Santa Barbara County Grand Jury (Jury) reviewed truancy reduction programs in the elementary schools. “The Jury is particularly interested in the use of the Community Leadership in Achieving Student Success (CLASS) program as it relates to elementary students,” according to Sandi Miller, Foreperson.

The Santa Barbara County Grand Jury is a basic part of California government within the judicial branch. The Grand Jury is charged with keeping watch over county government as well as cities and districts operating within the county.
